BECAUSE we believe we show you double the selection of any clothes dealer in town.

BECAUSE we have reason to believe we pay more for our suits to sell at \$8, 10, 15, 18, 20 and 25 than most merchants and consequently give better value.

BECAUSE we sell clothing from three of the largest and most reliable manufacturers.

BECAUSE we are glad to make good any defects found in our clothing, or dissatisfaction on the part of the customer.

Because we can give you a perfect fit in any style you may select.

Because we keep pressed all suits sold by us.

Come in and buy a suit of us and prove to your own satisfaction what all this means to you.

FROM A DISORDERED MIND

Premotions the Product of Lax Mental Discipline—Suggestion a Great Factor.

The belief in premonitions is based upon superstition, suggestion, and fear. Premotions are indicative of lax mental discipline, and serve to show that the mind is permeated with fear and dominated by dread.

People are more subject to premonitions on dark and dismal days. They are also common in the spring and in the fall. This particular form of dread is also greatly increased by suggestion. I well recall a case of a suburban wreck a few years ago, in which the front coach was badly demolished, and I noticed that for months and even years after this accident, that the passengers studiously avoided that front coach. There was an immediate decrease in the number of people who would allow themselves to ride in that car. The soil and the seed for suggestion are both needed to produce premonitions.—Exchange.

Mrs. Eben Douglas, who has been spending the past four months at the home of her daughter, Mrs. F. M. Small, on Randolph road, has returned to her home on Maple street.

W. M. Sargent and O. M. Waterman made an auto trip into the surrounding country yesterday and distributed about 40,000 trout fry from the state hatchery. The brooks stocked were those between Morrisville and Wolcott.

P. A. Base Ball

The outlook for a base ball team at P. A. is better this year than it has been for several years. There are at least three men trying for every position, and as many as eight for some. They are all working hard and it is not easy to say who will play regular. Considerable money has been laid out on the field, many improvements having been made, including a new back stop, skinned diamond, seats, etc. Of course this has cost lots of money and we hope the townspeople will be liberal and patronize the games. Every effort is being made to make base ball pay for itself, which it has failed to do in past years. If the townpeople will turn out to the games the boys are sure it will be a success in every way. The boys have some good games on their schedule and promise to give some interesting games.

The following schedule has been arranged by the manager and approved by Mr. Reynolds, but subject to change:—At home—May 1, Hardwick; May 8, Brigham; May 12, Swanton; May 15, Enosburg; May 20, Johnson; May 31, open; June 4, Fairfax. Abroad—April 24, open; April 28, Swanton; May 5, Fairfax; May 17, Hardwick; May 22, Johnson; May 27, Brigham; May 28, Enosburg.

Funeral of Allen Flood

The funeral of Allen Flood, whose sudden death was noted in this paper last week, was held Sunday from the home of Ely Flood at 2 p. m., Rev. W. T. Best officiating. The bearers were C. W. Nawcity, Frank Boyce, Joseph and Frank Bassett.

Besides his wife, he survived by five children, Mrs. Cora Brill of Morrisville, Mrs. C. W. Jerome of Littleton, N. H., Mrs. Muriel Hutton of Smyrna Mills, Me., Ely Flood and Erwin Flood of Morrisville, also two brothers and one sister, James Flood of Bakersfield, George Flood of Fletcher and Mrs. Augusta Kneeland of Burlington.

Among those from out of town to attend the funeral were Mr. and Mrs. J. W. Naylor and daughter, Miss Ethel, of Essex, Mr. and Mrs. Lewis Guyette, Mrs. John Flood of Franklin, Mr. and Mrs. Elmer Taylor, George Flood, and Mr. and Mrs. Chas. Flood of Fletcher, Mr. and Mrs. Howard Flood of Enosburg Falls. Mr. Flood was a hard working man and had been a well-known resident of Morrisville for twenty years.

Methodist Church

The Boy Scouts will hold their meeting tonight at the Universalist church.

There was a large congregation at the services Sunday morning; also, at the Sunday School. H. Wait reported that the plate collections for the year had amounted to \$1,700, and the collection Sunday morning with the amounts paid since will amount to about \$300, making a grand total of \$2,000 for the year. The benevolences for the year amounted to \$624, and there was paid on indebtedness over \$800, so that the grand total of the funds for the year will run over \$8,500, taking in the sexton, lights, fuel and general expenses.

The church has had the best year of Mr. Best's pastorate, the congregations have steadily increased and the attendance at Sunday school has reached the highest average. Notwithstanding the removals by letter and death, the membership has increased 37. All the departments of the church work seem to be in a healthy condition.

As Conference is in session this week at Brattleboro, there will be no preaching service next Sunday morning. Next Sunday is visiting day and the members are requested to visit the different churches. Sunday school will be held at the usual hour and the Epworth League service will be held in the evening.

Several of the official members of the church are attending the Conference this week.

OBITUARY

MRS. JANE BARROWS BENSON

Mrs. Jane Barrows Benson, who has been in failing health for nearly four years, died at her home on Brooklyn street Monday morning at 7:30 o'clock. For the past few months Mrs. Benson's condition had gradually failed and for the past month she had been confined to her bed. Death was due to a gradual breaking down and hardening of the arteries.

The funeral services were held from the home this afternoon at two o'clock, Rev. R. D. Cramer of the Universalist church officiating. The bearers were Ernest C. Page and E. A. Smalley of Morrisville, N. R. Barrows, A. A. Pike and Charles and Neil Chapin of Stowe.

Eliza Jane Barrows, one of seven children of Malachi and Patience Benson Barrows, was born on the Allen farm, now occupied by the Allens on the Randolph road, March 9, 1834, this being the old Barrows homestead, where she spent her girlhood days. She was united in marriage to Orlando J. Benson March 4, 1856, and resided in Stowe for about 40 years, coming to Morrisville about 12 years ago. Mr. Benson died in June, 1897. She is survived by her son, W. F. Benson; one brother, Gilman A. Barrows, and one sister, Mrs. I. N. LeBaron, all of this village.

Mrs. Benson had a large circle of friends both in this town and Stowe, where she had always resided, the family having been among the best known residents of the latter place during their long residence there. Mrs. Benson was one of the old New England gentlewomen and her fine sense of humor, kind heart and broad sympathies made her a good neighbor and warm friend, as many readers who have known her during a life of cheerful service for those she loved, will testify. The sympathy of many friends is extended to the son, who has cared for her during her declining years and to the brother and sister in their bereavement.

MRS. H. T. KELLOGG

Mrs. H. T. Kellogg, who has been ill with cancer since about Nov. 25, last, died last Thursday night at her home on the Elmore road. Funeral services were held at the farm home Sunday at one o'clock, Rev. I. T. Johnson, a Pentecostal preacher of Portland, Me., officiating. Interment was in the Pleasant View Cemetery. The bearers were her two sons and sons-in-law, Mark Kellogg, Perrin Kellogg, Ned Carr of Montpelier and Carroll Lanpher.

Hannah Edna Safford, only child of Norman E. and Elizabeth (Tucker) Safford, was born in Elmore, June 17, 1864. She was married to Mr. Kellogg December 15, 1882. She is survived by her husband, two daughters and two sons, Horatio T. Kellogg, Mrs. Bessie B. Carr of Montpelier, Mrs. Bernice Lanpher, H. Mark Kellogg and Perrin N. Kellogg.

Mrs. Kellogg was a woman of fine Christian character and had many friends in this and surrounding towns who will mourn her death. The family have the sympathy of the community in their bereavement.

MRS. EMMA A. CURRIER

Mrs. Emma A. Currier, a highly respected resident of Morrisville, died Sunday noon at her home on Cherry Avenue, death being due to a heart trouble of long standing and complications, from which she had been in poor health for some time. Mrs. Currier was confined to her bed ten weeks the early part of the winter, but had recovered from this illness and for several weeks had been feeling quite well. She had not been as well for the past week, however, but was about the house and assisted in the work Saturday. She was taken with a bad spell at three in the morning and another at about six and from that time failed until the end.

Mrs. Currier, with her son and daughter, Geo. R. Currier and Myra R. Currier, moved to Morrisville eleven years ago next June and have since resided here, where the deceased had made a large number of warm friends. Mrs. Currier was possessed of a sympathetic, generous nature and was blessed with rare traits of character, which made her beloved by those who knew her intimately. While a member of no church, she was a Christian in the truest sense.

Emma A. Currier was born in Stowe 64 years ago the 8th day of last February, one of seven children of Richard and Rosetta Marshall Kusic. When seven years of age her mother died and she went to live in the family of the late Dr. Nathan Thomas of Stowe. She was united in marriage to Rodney L. Currier of Wolcott on June 1, 1875, at Stowe, and from that time until coming to Morrisville lived in Wolcott, where Mr. Currier died 14 years ago last June.

Besides the two children above mentioned, she is survived by a daughter, Mrs. J. F. Conant of Hardwick; a sister, Miss Alzina Kusic of Wolcott; a brother, B. R. Kusic of Wolcott and a grand daughter, Evelyn Conant of Hardwick. The funeral will be held Thursday at one o'clock from the home, Rev. W. E. Baker of the Cong'l church officiating. Interment will be in the family lot in Fairmount Cemetery in Wolcott.

Nothing to Be Thankful For.

Those favored few who, by their rank or their riches, are exempted from all exertion, have no reason to be thankful for the privilege. It was the observation of this necessity that led the ancients to say that the gods sold us everything but gave us nothing.—Charles Colton.
